Malay Sultanate Has Role To Play Despite Challenges - Raja Muda Perlis

KUALA LUMPUR, Sept 29 (Bernama) -- The Malay sultanate still play a role in the country's effort to face the borderless world despite the challenges of modernisation.

Raja Muda of Perlis, Tuanku Syed Faizuddin Putra Jamalullail said its function and authority could be translated as close ties and cooperation with foreign countries.

The relationship provide advantages, such as stronger defence system, intelligence information sharing and equipment procurement.....
