Pengenalan

SASTERAWAN NEGARA

Sasterawan Negara Malaysia merupakan gelaran yang dianugerahkan kepada mereka yang telah menyumbang dalam bidang sastera bahasa Melayu di Malaysia. Anugerah Sastera Negara yang pertama diadakan pada tahun 1981 hasil gesaan bekas Perdana Menteri Malaysia, Tun Hussein Onn yang menginginkan sebuah hadiah sastera yang berprestij demi mengangkat martabat sastera di Malaysia.

Anugerah Sastera Negara dipilih oleh Urusetia Panel Anugerah Sastera Negara yang ditunjangi oleh Dewan Bahasa dan Pustaka di bawah seliaan Kementerian Pelajaran Malaysia.

NATIONAL LAUREATE

Malaysian National Laureate is a title awarded to those who have contributed to the field of Malay literature in Malaysia. The first National Literary Award was held in 1981 at the urging of the former Prime Minister of Malaysia, Tun Hussein Onn, who wanted a prestigious literature award given to uplift literary dignity in Malaysia.

The National Literature Award recipients were selected by the Secretariat of the National Literary Awards Panel, chaired by the Language and Literature Council (Dewan Bahasa dan Pustaka) under the supervision of the Ministry of Education Malaysia.
