4 Online Resources For Free E-Books & Audio Books Right Now

By Tania Jayatilaka March 26, 2020

Curl up with a hot cuppa and your e-book of choice tonight

Stories.Audible.com

Schools, colleges and libraries may be on lockdown all around the world, but fret not; Audible has taken up the worthy cause of propagating the spoken word through Audible Stories.

Accessible to audiences around the world, Audible Stories comprises a selection of classic and contemporary titles covering education, general interest and entertainment. While the selection is largely meant to appeal to children, classic titles like *Jane Eyre* and *The Call of the Wild* make for great family listening.

Visit stories.audible.com for more information.
